

KISFRANCIA

Dry white wine

VIOGNIER

PREMIUM WINE

Made of 100% viognier, this wine wishes to honour the dear memory of a person, who was in love with Fajzatpuszta as much as we are. A real gentleman and passionate hunter like us. The 'little French man', who was the first to traverse the distance between Gyöngyöstarján and Paris with his car but had left his heart among the mountains of Mátra. We will always remember you.

Cheers, Perry!
