

## OLASZRIZLING

### DRY WHITE WINE

#### CLASSIC WINE

The southern hillsides of Mátra's wine region are outstandingly appropriate for growing Italian Riesling. During the processing of the fruit, the fermentation of the must and the handling of the new wine, we put great emphasis on preserving the natural taste and aroma of the grape in the final product. As a result, the scent of freshly mowed meadows competes with fruitiness in this golden wine.

#### CHARACTERISTICS

Flavour and aroma notes:	bitter almond, almond flower and green apple
Technology:	reductive technology, cold maceration
Vintage year:	2019
Alcohol:	14 %
Acidity:	4,7
